National Youth Leadership Training (NYLT) is the pinnacle of Scout training for youth offered on the Council level. Every unit deserves youth leaders who are trained and prepared for the responsibilities they face.

NYLT integrates the best of modern leadership theory with the traditional strengths of the scouting experience. This course is supervised by adults and executed by youth. It is an intensive six day co-ed course. Participants experience the four stages of team development and appropriate leadership styles while employing fun and varying communication and problem-solving skills.
